

NAGI
Foundation

IN PARTNERSHIP WITH

MIDWESTERN COLLEGE OF VETERINARY MEDICINE
SRPMIC ENVIRONMENTAL SERVICES

DO YOU OR SOMEONE YOU KNOW HAVE TOO MANY CATS?

Have they gotten out of hand and help is needed to control the population?

We are here to help!

The Nagi Foundation is hosting a spay/neuter event JUST FOR CATS!

THURSDAY, NOVEMBER 9TH

If you have a cat problem and need help please call Sheila 602.730.2092.

We will help to TNR (Trap-Neuter {or Spay}-Return) your cats. This is a safe way the help control your cat population without causing any harm to the cats and we return them back to their home.

Please call by to reserve a space for your cats.

**This clinic is for mostly feral/ wild cats but
we do have 10 spots available for owned cats.**

Please call to make an appointment.

All cats must be in carriers- only one cat per carrier

All cats must be over 2 lbs

Please do not feed your animal after 10pm the night before (*water is ok*)

Feral/Wild Cat Colonies?

Please call Sheila 602.730.2092

We are here to help!

LOCATION

Salt River Fire Department - Station 294

11561 E Indian School Rd.

Scottsdale, AZ 85256

We are seeking volunteers from the community.

Please email Sheila at getinvolved@nagifoundation.org

Bringing the sacredness back to the community, one child, one family and one animal at a time.

If you have any questions please call Sheila at 602.730.2092
